

KINDERFARM INCLEMENT WEATHER POLICY

- Kinderfarm generally follows the Iowa City Community School District if they cancel school, delay the start of school, or dismiss classes early.
- Kinderfarm closings, delays, and early dismissals will not be announced on local radio or television stations. However, announcements concerning the Iowa City School District are made on these stations.
- The voice mail at Kinderfarm can be checked for information on school cancellations, delays, and early dismissals. That phone number is 351-3438.
- A delayed start means that morning classes and lunch are canceled. Kinderfarm will have afternoon classes only on those days. Vans begin picking-up children at noon and children that arrive by car may be dropped off between 12:45 and 1:00. Drivers will notify you or your childcare provider as to the time they will be picking up your child on those days.
- Snow days, late starts, and early dismissal days are not made up due to scheduling conflicts at the end of the school year and the beginning of the summer program.

Winter!
