Friday, November 30

UPDATE: St. Patrick Catholic Church and their Social Action Commission collected toilet paper every weekend during October. Their parish generously donated 1,478 rolls of toilet paper, which nearly doubled our 2012 TP the Crisis Center proceeds.

ORIGINAL POST:

Drumroll please... introducing this year's TP The Crisis Center Honor Roll.

November is here and that means our 3rd annual October toilet paper drive has come to a close. The TP The Crisis Center numbers are in and this year we collected more than 1,850 rolls of toilet paper, beating out last year's total by more than 350 rolls. ***With the addition of St. Pat's donation, The Crisis Center has more than 3,300 toilet paper rolls to be distributed to clients in the coming months.**

The idea to TP The Crisis Center originated from a former Food Bank client. After getting back on her feet, she visited The Crisis Center again, this time to make a financial donation and requested that part of it be used for toilet paper. A simple roll of toilet paper made a huge difference to her when she needed help. As a result of this year's drive, the Food Bank will have toilet paper available for clients well into the new year.

We would like to give special thanks to community members who made our first-ever TP Honor Roll for their significant donations.
